same, as follows:

1. This Act may be cited as the Bureau of
Ceylon Standards Act, No. 38 of 1964.

3. The members of the Council of the Bureau of
Ceylon Standards (hereinafter referred to as "the

4. (1) The powers, duties and functions of the
Bureau shall be vested in the Council.

(2) The Council shall consist of—

(a) four members appointed or elected as provided
in sub-section (3) of this section, each of
whom has distinguished himself in trade

(ii) the person for the time being holding office as the Director of the Bureau, and

(iii) the person for the time being holding office as the Director of Commerce.

(3) The four members of the Council referred to in paragraph (a) of sub-section (2) shall be appointed in the first instance by the Minister. If for any reason any member so appointed vacates his office prior to the expiration of his term of office, the Minister shall in place of such a person appoint another person to serve for the unexpired portion of such term. Therefore any vacancies among the four members appointed under paragraph (a) of sub-section (2) shall be filled by the remaining members of the Council who shall elect duly qualified persons to fill such vacancies.

5. Any member of the Council who is not an ex officio member shall, unless he vacates his office earlier, hold office for a term of two years and shall be eligible for reappointment or re-election:

Provided, however, that—

(a) at the first meeting of the original Council two of the four members referred to in paragraph (a) of sub-section (2) of section 4

(2) All acts done at any meeting of the Council shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment or election of any member thereof or that any such member was disqualified, be as valid as if every such member had been duly appointed or elected or was qualified to be such member.
(3) No proceedings or act of the Council shall be invalidated by reason only of any vacancy in the membership of the Council.

11. (1) The affixing of the seal of the Bureau to any instrument other than an instrument referred to in sub-section (2) of this section shall be in the presence of and be attested by—
