

**AMENDMENT NO. 01 TO SLS 299 : 1974  
SPECIFICATION FOR COCOA BUTTER**

**EXPLANATORY NOTE**

This amendment is introduced to include relevant cross-references for methods of tests given in Table 1, since the Sri Lanka Standard cross-referred has not been allocated as methods of analysis of vegetable oils, fats and fatty materials.

**AMENDMENT NO. 01 APPROVED ON 1997-02-13 TO SLS 299 : 1974  
SPECIFICATION FOR COCOA BUTTER**

**PAGE 6**

**Clause 3.4**

Insert “when tested according to the methods given I n Column 4 of the table” at the end of the first sentence.

**TABLE 1, Column 4**

In Column caption, delete “According to clause of **SLS 316\***”.

**Table 1, Serial No. (i)**

In Column 4, insert “**SLS 313 : Part 1\***”

**Table 1, Serial No. (ii)**

In Column 4, insert “**SLS 313 : Part 1\***”

**Table 1, Serial No. (iii)**

In Column 4, insert “**SLS 313 : Part 2\*\***”

**Table 1, Serial No. (iv)**

In Column 4, insert “**SLS 313 : Part 4\*\*\*\***”

**Table 1, Serial No. (v)**

In Column 4, insert “**SLS 313 : Part 2\*\***”

**Table 1, Serial No. (vi)**

In Column 4, insert “**SLS 313 : Part 2\*\***”

**TABLE 1, Footnote**

Delete the existing footnote and substitute with the following:

- |    |                         |   |
|----|-------------------------|---|
| ** | <b>SLS 313 : Part 1</b> | Method of analysis of oils, fats and fatty materials<br>- Determination of physical characteristics                             |
| ** | <b>SLS 313 : Part 2</b> | Method of analysis of oils, fats and fatty materials<br>- Determination of chemical characteristics                             |
| ** | <b>SLS 313 : Part 4</b> | Method of analysis of oils, fats and fatty materials<br>- Determination of principal constituents and<br>natural constituents.” |
