Amendment No: 2 approved on 2009-03-30 to SLS 824: Part 2 : 1989

**AMENDMENT NO: 2 TO SLS 824 : PART 2 : 1989  
SPECIFICATION FOR FERMENTED MILK PRODUCTS. PART 2 – YOGHURT**

**EXPLANATORY NOTE**

In order to overcome the problems in maintaining the present acidity level of yoghurt products by local manufacturers and to be in line with the Codex Standard (CODEX STAN 243-2003), the Sectoral Committee on Agriculture and Food Products had decided to issue this amendment.
